The attractive, wide hallway leads to the family bathroom and the 3 double bedrooms. There is more than sufficient built-in wardrobe space and the master bedroom has a full ensuite shower-room. Both the bathrooms are newly-fitted throughout with new wall tiling. The whole floor of the house is also newly tiled in “Travertine” porcelain.

Returning to the covered terrace and you will find a separate utility and storeroom with a new Samsung washing machine. There are various seating areas around the house, a pergola and as aforementioned a very welcome, kidney shaped swimming pool. The established garden is landscaped and mature and there is a pleasant lawn area for happy family gatherings. The property is fully fenced, has automatic gates, and has parking for at least 5 or 6 vehicles. Access roads to the property are asphalt and concrete. There are lovely mountain and countryside views.
