Costa del Sol, Estepona

Apartments with 3 terrace and a common pool in the prestigious area

Apartments are located in the prestigious area near the Marriott Hotel, the ALDI supermarket and the café. These mebled apartments offer an ideal combination of comfort and convenience. There are three simple bedrooms with built-in closets and two bathrooms that provide sufficient space for the whole family.

Apartments also have three terraces: one near the kitchen, the other is located on the upper deck and equipped with a barbecue zone, and the third terrace is located near the living room, which allows fresh air to be enjoyed at any time of the day.

The Complex is offering a common pool for tenants where you can relax and enjoy sundays. Two parking spaces and trusts for additional storage are provided for the accommodation. The Guard is closing, providing additional security for your car.

Additional conveniences include built-in Miele technology, which makes the kitchen modern and functional. All the premises are completely mebled and ready to settle, which allows you to feel at home immediately.
