Costa del Sol, Mijas

Apartmento very close to Miraflores supermarket. If you are looking for accommodation where peace prevails but where you also want to be close to shops and restaurants, we can now offer you this fantastic apartment on the top floor out of two. The view is magical, the garden below the terrace contains no less than 3 different pool areas, one of which also has a simpler lunch service/bar. In the evening, the garden lights up beautifully and after a cozy walk between the pools you come out to the road that leads down to the beach and the bus that can take you to Fuengirola or Marbella.

Outside the apartment is the Miraflores Supermercado and a number of restaurants and bars.

The apartment has two bathrooms and two bedrooms, one is on the upper floor with an even more beautiful view of both sea and mountains. In the upper bedroom there is a sofa bed for two people and a single bed and the lower bedroom has a double bed and its own on suite bathroom.

On the main floor is an airy living room with two comfortable recliner sofas and large glass doors that lead out to the well-sized terrace. The kitchen is well planned on a relatively small surface and maintains a very good standard.

This apartment really offers the best of both worlds, peace and quiet and at the same time close to everything you need.
