Beautiful 4-bedroom apartment with large terrace and private pool

EXCLUSIVITY, SUSTAINABILITY AND NATURE

The Real de La Quinta Residential Country Club Resort enjoys an elevated position on a sloping hillside and takes advantage of the natural contours to offer stunning flats with spectacular panoramic views of the Resort, lake, and coastline. This stunning 4-bedroom apartment has a large terrace and in this development, the volumes in the style and construction of the apartments rest on stepped terraces simulating the famous rice terraces, allowing you to enjoy the best views.

Views and Facilities: The residential complex offers magnificent panoramic views of the coast and mountains, standing out for being the project with the closest connection to all the facilities: Lake, Lake Club, Golf, Gym, Spa, Restaurants... etc.

Responsible design: Real de La Quinta is the first project in Spain to receive the infrastructure planning certificate issued by BREEAM, the world's leading organization in sustainability assessment.
