The villas consist of ground floor, upper floor and bright and livable basement with a large cinema room, a gym, sauna and a Spa area with access to a Japanese patio with a pool with waterfall to bathe and cool off.

The villas consist mainly of 4 bedrooms and 5 bathrooms. 2 bedrooms with bathroom ensuite on the upper floor, 1 bedroom with bathroom on the ground floor and 1 bedroom with bathroom in the basement.

The open and open spaces and large floor to ceiling windows of minimalist design allow flooding the house with light throughout the day, creating the feeling that nature enters your home as part of it. They are designed with details that make a difference. The use of natural materials and colors or the natural light that predominates in each of the rooms have created a different and warm modern villa.
