Costa del Sol, Guadalmina Alta

Located in one of the most sought-after developments in Guadalmina Alta, this magnificent corner flat offers a privileged lifestyle thanks to its Mediterranean design, low density housing and proximity to the Guadalmina Royal Golf Club.

The development comprises only 20 townhouses and 60 apartments, distributed in six elegant buildings, surrounded by extensive landscaped gardens. It also has two outdoor swimming pools, an artificial grass pitch for multiple sports and a large parking area.

Layout and features of the property:

On entering, a spacious reception hall gives way to a large fully equipped kitchen, with breakfast area and separate laundry room.

The bright living-dining room, thanks to its privileged corner location, receives plenty of natural light throughout the day. This space has a cosy fireplace, ideal for the colder months.

From the living room, there is access to the master bedroom, which has an en-suite bathroom with hydro-massage bathtub and separate shower* as well as direct access to a covered terrace with pleasant views of the communal areas.

The property has two additional bedrooms, which share a complete bathroom. One of them stands out for its attractive bay window type window, which adds a special and luminous touch to the room.
