Spectacular flat in one of the best and most sought after areas of San Pedro just a few minutes from the promenade and a few steps from the centre. The flat located in a privileged area consists of two bedrooms with lots of light and both with en suite bathrooms, a splendid fully equipped kitchen with utility room. The living room is impressive, with lots of light due to its large windows and its south-east orientation as well as its spaciousness and comfort due to the fact that it has been refurbished by eliminating a room and adding it to the space creating a new and unique room. The living room communicates with a terrace with partial sea views. The property has air conditioning hot and cold, a storage room with electric blinds and a garage space with electric car connector, communal swimming pool with a splendid garden surrounding it.
