Costa del Sol, Miraflores

Newly Renovated Penthouse with Breathtaking Sea and Mountain Views – Rancho Miraflores, Riviera del Sol

Experience the essence of Scandinavian elegance and Mediterranean beauty in this newly renovated penthouse apartment, offering nothing less than spectacular panoramic views of the Mediterranean Sea and the Mijas mountains. On a clear day in spring or autumn, you can even glimpse the snow-capped peaks of Sierra Nevada on the horizon – a stunning reminder of Spain’s incredible diversity.

Designed in a clean, modern Scandinavian style, this home perfectly balances warmth, light, and functionality – ideal for those dreaming of a stylish retreat under the Andalusian sun.

As you step inside, natural light floods the open-plan living space through floor-to-ceiling sliding doors that lead to a magnificent 45 m² terrace. Here you can bask in sunshine from early morning until late afternoon, enjoying breakfast with the golden sunrise or evening drinks while watching the ever-changing colours over the mountains and sea.

The kitchen and living area flow seamlessly together, creating a sociable atmosphere where cooking and entertaining are pure pleasure. The kitchen is equipped with brand-new, high-quality appliances and sleek finishes that make it both beautiful and practical.

The apartment features three spacious bedrooms – two with direct terrace access and a third on the opposite side for added privacy – along with two elegant bathrooms, one with a relaxing bathtub and the other with a modern walk-in shower.

Outside, the well-maintained Rancho Miraflores community offers beautifully landscaped gardens and several swimming pools, all set in a tranquil environment far from road noise. The property also includes a private underground parking space for your convenience.

Whether you’re seeking a permanent residence, a luxurious holiday home, or a high-demand rental investment, this property ticks every box – sea views, modern design, generous outdoor space, and a prime location close to the coast.
