All apartments come with a parking space. This is a residential complex with very refined architecture. It stands out for the elegance of its design, opting for white, which integrates it entirely into the Mediterranean environment without abandoning a contemporary image of clean and fluid lines. It has large, well-laid-out interior spaces with large glazing to ensure natural light. Light, climate and comfort combined in a top-quality development. The common areas have been designed to provide a space in which you can enjoy and relax, to break off from your routine and above all to increase the quality of life. You'll be able to choose between a dip in the pool, relaxing in the large garden, doing yoga, looking after yourself in the open-air gym... all within a safe and secure area. These are the details that make the difference.
