Costa del Sol, San Luis de Sabinillas

The great location is the big plus of this economic apartment in the first floor next to the Sabinillas marvellous beach promenade with 2 sunny bedrooms and 1 bathroom plus very light living room and the kitchen separate, This sunny flat has only a small terrace, but every room is flooded with sunlight and the rooms are very well organised. The kitchen has a small laundry area with a large window to the bright outside area and is separate from the living room. The flat has an underground car park and a storage space included in the price. From there you can be on the beach promenade of Sabinillas in 2 minutes and walk to Puerto Duquesa in 15 minutes or take a bike ride to Estepona on the promenade.
