Fully Renovated Luxury Beachfront Apartment for sale in Noray Playa, San Pedro de Alcántara

This exceptional 2-bedroom, 2-bathroom apartment is located in Noray Playa, one of San Pedro de Alcántara's most prestigious beachfront developments. Recently transformed through a complete, high-quality renovation, the property blends cutting-edge design with contemporary comfort to create an elegant coastal retreat.

Every detail has been upgraded, including brand-new plumbing, electrical systems, and modern finishes throughout. The designer kitchen is a true highlight – fitted with premium German cabinetry and the latest Bosch appliances, such as an induction cooktop, oven, microwave, dishwasher, and a 21-bottle wine cooler. Sensor-activated cabinets and a Philips drinking water filtration system add convenience and sophistication to the space.

The apartment offers year-round comfort with heated floors in both bathrooms and a centralized air conditioning system. A master switch allows full control of lighting and power outlets, while a built-in safe, digital peephole, and robotic vacuum cleaner add thoughtful touches of security and practicality.

Further enhancing its appeal, the property comes with a two-year warranty covering all furniture, appliances, and renovation work – a testament to the superior quality of the upgrades.

This is a rare opportunity to acquire a turnkey, fully renovated luxury home in one of the most desirable beachfront locations on the Costa del Sol – where modern sophistication meets serene seaside living.
