## Costa del Sol, Estepona

**Business Format:** A fully operational and established business including production facilities, a developed retail network, optimized logistics, a broad client base, and staffed operations—all under the recognizable Multi Cook (Galya Baluvana) brand. **Key Advantages of Acquisition:** **Instant Launch without Bureaucracy:** All required licenses, modern equipment, active marketing channels, and qualified staff are in place—eliminating the need for complex startup efforts. **Established Customer Base & Steady Footfall:** A large, loyal clientele combined with strong online and offline sales channels ensures consistent revenue from day one. **Strong Growth Potential:** Includes locations earmarked for future development (e.g., Benalmádena, Torremolinos) and licenses covering multiple key regions. **Operational Independence:** Well-structured processes in production, sales, logistics, and management allow the new owner to focus on strategic growth, not daily operations. **Wide Regional Coverage:** Active and expanding presence across Spain's main tourist and commercial zones. Estepona, Mijas, Marbella, Malaga
