Penthouse with Expansive Wraparound Terrace – Los Mijares, Miraflores, Riviera del Sol Located in the highly desirable community of Miraflores, this two-bedroom penthouse offers the perfect blend of space, potential, and Mediterranean lifestyle. Just a 15-minute stroll from El Bombo Beach in La Cala de Mijas, the property's standout feature is its spectacular 123 m² wraparound terrace—larger than the apartment itself—enjoying all-day sunshine and breathtaking panoramic views of the Mijas mountains. Inside, you'll find a bright living and dining area, a separate fully fitted kitchen, two double bedrooms, and two bathrooms, including a master ensuite. Both the lounge and bedrooms have direct access to the terrace, creating a seamless connection between indoor and outdoor living. While the apartment would benefit from modernisation, the attractive pricing reflects this, offering an exceptional opportunity to personalise the space and enhance its value in a prime Costa del Sol location. The vast terrace presents endless possibilities to create an outstanding outdoor oasis—other penthouses in the complex have installed summer kitchens, jacuzzis, or private spa areas. The property is sold with an underground parking space and a private storeroom. The gated community of Los Mijares offers beautifully maintained gardens and a large communal swimming pool. Local supermarkets, cafés, and restaurants are just a five-minute walk away. This is a rare opportunity to acquire a top-floor apartment with exceptional outdoor space and outstanding potential—ideal as a stylish holiday home, a permanent residence, or a smart investment.
