Costa del Sol, Málaga

Big and cozy apartment in the center of Malaga city just a brisk 7 min walk down to the beach and 30 minutes to the center. This apartment located on the last floor of the building is a duplex with lots of space and natural light. We actually have 2 apartments in 1 as there has been an opening of a wall. First floor you have the kitchen and livingroom with access to a big terrace. This terrace gives us beautiful views and sun the whole day. On the same level we have access to the other apartment which have 3 good size bedrooms and a slightly bigger kitchen. On the second level, accessed by a stair in the entrance, we find 2 bedrooms and a bathroom. A nice little corner where you can setup your studio. This is a peculiar flat with its funny layout but it has a really good zen feeling to it and will easily fit a big family.
