Costa del Sol, Benalmádena

Discover this fantastic property located in the very center of Arroyo de la Miel, one of the most sought-after areas of Benalmádena thanks to its convenience, services, and excellent connections. This spacious duplex offers an exceptional opportunity for those seeking a home with character, generous space, and great renovation potential to adapt it to their personal taste. The property is distributed over two floors. The upper floor features three bright and spacious bedrooms, ideal for rest and comfort. On the ground floor, you'll find a large entrance hall that welcomes you with elegance, highlighted by Roman travertine marble floors throughout, adding a classic and distinguished touch. Originally, the house included a fourth bedroom on the ground floor, which could easily be recovered if an extra room, office, or play area is desired—making it easy to tailor the layout to your family's needs. Although the property requires some renovation, its generous layout and natural light offer endless possibilities to create a modern and functional home in a prime location. The building also features a community swimming pool, perfect for enjoying the Mediterranean climate without leaving home. The location is undoubtedly one of its greatest advantages: situated right in front of the Arroyo de la Miel train station, just a short walk from the health center, and surrounded by shops, supermarkets, schools, restaurants, and all essential amenities. In short, this is a unique opportunity to live in the very center of Arroyo de la Miel, in a property full of character, space, and potential to become the home of your dreams.
