## Costa del Sol, Las Lomas del Marbella Club

Luxury 5-Bedroom Villa in Las Lomas del Marbella Club, Golden Mile, Marbella

Casa Cazorla is an exceptional contemporary villa located in the exclusive Las Lomas del Marbella Club, one of the most prestigious areas on Marbella's Golden Mile.

Developed by Casas Fintech, this residence masterfully combines cutting-edge architecture with natural materials such as wood and stone, creating a refined balance of warmth, elegance, and Mediterranean serenity.

The villa is spread over three levels, designed to seamlessly merge comfort, privacy, and lifestyle.

On the main floor, a spacious open-plan living and dining area connects to a modern light-wood kitchen and opens onto large terraces and landscaped gardens through floor-to-ceiling glass doors. A guest suite with terrace access provides comfort and independence for visitors.

The upper floor features three elegant bedrooms, including two guest suites with terrace access and a luxurious master suite with a walk-in wardrobe and spa-style bathroom with a rain shower and freestanding bathtub.

On the lower level, the villa offers exceptional leisure and wellness spaces, including a spa with hammam, gym, wine room, office, and playroom, as well as an additional en-suite guest bedroom with direct access to the garden and pool.

Outdoors, beautifully landscaped gardens frame a private swimming pool, outdoor lounge, dining area, and fully equipped summer kitchen—the perfect setting for year-round alfresco living.

Located just minutes from Marbella's beaches, Puerto Banús, and the city centre, Casa Cazorla represents the very best in modern luxury living on the Costa del Sol.
