Stunning Contemporary Luxury Villa for Sale in Valtocado, Mijas Pueblo

Welcome to Villa K, a truly unique architectural masterpiece located in the prestigious urbanisation of Valtocado, just minutes from the charming whitewashed village of Mijas Pueblo. Completed in 2020, this exceptional luxury villa offers a rare blend of contemporary design, privacy, and breathtaking natural surroundings.

Set on a generous south- and west-facing plot, the property enjoys panoramic views of the Mediterranean Sea, the mountains, and the surrounding pine forests – creating a serene and exclusive retreat on the Costa del Sol.

Architecture & Design – A Seamless Masterpiece

Villa K is the result of a refined collaboration between Marion Regitko Architects and UK-based designers Soo Wilkinson & John Grant of Igloo Design. Their holistic vision merges interior and exterior spaces effortlessly, using a continuous palette of materials and finishes to create harmony throughout the home.

The upper level is wrapped in a spacious deck that can be accessed from every main room, enhancing indoor-outdoor living. The lower level is carefully cut into the hillside, giving the villa the appearance of rising organically from the natural rock – a striking architectural statement that blends beautifully with its environment.

Interior – Grand, Warm & Exceptionally Designed

With a total built area of 916m², this villa provides expansive living spaces both indoors and outdoors.

- 4 spacious bedrooms
- 5 bathrooms, including 4 en-suite
- Open-plan living, dining, and designer kitchen

Every element – from bespoke furniture and curated lighting to carefully selected artwork – has been thoughtfully chosen. Warm honey-toned oak contrasts beautifully with expansive sliding glass doors, allowing natural light to flood the interiors while maintaining a constant connection to nature.

Exterior – Elevated Views & Ultimate Privacy

The villa is organized around a raised viewing platform subtly embedded into the hillside. Its architectural form responds directly to the topography and the spectacular surrounding views.
