This property is the finest, completely renovated penthouse in La Cala Hills and the surrounding areas. Everything in this property has been upgraded and modernised, from the new tiled flooring to the bathrooms, kitchen, internal doors and wardrobes in all three bedrooms. This is the most quintessential ‘turn key’ penthouse you will ever find. This spacious three bedroom, two bathroom penthouse is located in La Cala Hills, Mijas Costa. With 118m² of interior living space and a 104m² wraparound terrace (on three sides), there is always a sunny or shaded spot to enjoy throughout the day. Situated in Phase IV, the terrace offers panoramic views of the surrounding landscape, and the communal garden with swimming pool. The generous outdoor space is one of the main highlights of this property, as is the glass curtained conservatory, which you can enjoy all year round. Inside the apartment the newly renovated kitchen is now open plan into the lounge where you will find a comfortable seating area with built in fire place and TV and an adjacent dining area. Both areas have direct access to the open terrace so they are flooded with natural light and fresh air and the dining area also has direct access to the conservatory. The master bedroom has a modern and elegant en-suite shower room and there is another shower room for the occupants of bedrooms two and three. The kitchen is fully equipped and leads to a separate utility/laundry room with the washer and dryer conveniently hidden in a sleek cupboard.
