Exceptional Corner Townhouse with Panoramic Sea Views.

The residential complex, designed by the world-renowned architect Melvin Villarroel, impresses with its charming Andalusian style and exceptional attention to detail. Exclusive materials such as marble floors and wall tiles, aluminum window frames, high-end branded kitchen appliances, and granite countertops create a luxurious living experience.

This beautifully presented corner house is spread over two levels plus a spacious basement and roof terrace, offering generous living space, privacy, and breathtaking views.

The ground floor features a large and bright living and dining area, a fully equipped kitchen, and direct access to a spacious terrace, perfect for outdoor dining and relaxation. On the first floor, the property offers three bedrooms and two bathrooms, one of them en-suite. The master bedroom enjoys a private balcony with stunning sea views. Two of the three bedrooms benefit from beautiful sea views towards Gibraltar and the African coastline.

The basement (approx. 90 m²) includes a laundry room, a guest WC, and a very large multi-purpose room. This space can easily be converted into two additional bedrooms, if desired. Currently, it is used as a TV and games room, making it ideal for family living or entertaining.

The impressive 65 m² roof terrace offers stunning panoramic sea and mountain views, overlooking the Rock of Gibraltar and stretching along the African coast – an exceptional space for sunbathing, entertaining, barbecues, or simply enjoying the scenery.

Additional Features:

Private parking space located directly in front of the property, suitable for two small cars or one large vehicle.

Well-maintained, park-like residential complex.
