285.000 €

Referencia: R5274718 Terreno: 10.000m² Construído: 330m²

Valle del Guadalhorce, Álora

Unique opportunity: a 10,000 m² plot in Álora. The property includes a two-storey farmhouse.

The upper floor has a bedroom and a bathroom, while the rest of the house is unfinished, with plans to build two additional bedrooms, a living room with a fireplace and an open-plan kitchen.

The lower floor is also unfinished and open plan, offering enough space to develop another complete dwelling with direct access to the garden and swimming pool area.

The property enjoys fantastic views of the Guadalhorce Valley and the mountains. The rest of the land is planted with olive trees in production; the plot is irrigated and has a septic tank.

Located just a few minutes from the village, it is in a privileged setting, surrounded by nature, tranquillity and fresh air.
