Unique opportunity in Málaga's historic center! Nestled on a charming pedestrian street, surrounded by protected historic buildings, this recently renovated apartment offers the perfect blend of classic Andalusian charm and modern comfort.

The property has a touristic license for up to 4 guests and is fully compliant with the latest tourism regulations, a fact that is increasingly crucial as short-term rental laws tighten in Málaga.

It stands out with its own private, independent entrance and installations—essential features under the new directives. It is currently operated as a successful Airbnb by one of Málaga's highly professional property management companies. All of which ensures peace of mind and secures your investment in one of the most sought-after touristic locations world wide.

The interior is tastefully designed with minimalistic Nordic furniture, artistic decoration and a fitted design kitchen equipped with all household appliances incl. dishwasher.

The up to 4 m high ceilings create an extremely spacious feeling across the entire floor plan. A 13 m² mezzanine takes advantage of the extra headspace and offers an additional level with space for a double bed or other use.

The building has a charming communal roof top terrace. This shared but hardly used outdoor space offers a peaceful retreat where you can savor the morning sun with a cup of coffee, have family barbecues or casual gatherings with friends. Whether you're enjoying the views of the surrounding historic buildings or hosting a relaxed evening under the stars, this terrace truly enhances the living experience in a unique and central setting.

The apartment is perfectly situated to explore Málaga's rich history, vibrant culture, and top attractions, all within walking distance. With its proven track record as a high-performing Airbnb, this property is not just a home but a thriving business ready for a new owner.
