A home designed for comfortable living, privacy and security, surrounded by nature yet just minutes from everything. With 565 m² of usable space, the house offers generous, well-proportioned rooms filled with natural light, designed for everyday family life. The entrance makes a strong first impression, featuring a double-height hall and wooden ceilings that add warmth without excess. The property offers 6 bedrooms arranged to maintain independence between areas, 5 bathrooms, and a spacious kitchen with room for daily dining. The main living area includes a lounge with fireplace, a separate dining room with direct access to the porch, and a more intimate sitting room, ideal as a reading or TV area.
