Costa del Sol, Valtocado (Mijas Pueblo)

Luxury 4-Bedroom Villa for Sale in Valtocado, Mijas Pueblo
Guest Apartment | Panoramic Sea & Mountain Views | Energy-Efficient Living

Experience refined coastal living in this extensively renovated four-bedroom luxury villa with a self-contained guest apartment and large private pool, set in the prestigious residential enclave of Valtocado near Mijas Pueblo.

This exceptional home blends contemporary elegance with advanced eco-technology, offering low-maintenance, energy-efficient living with breathtaking panoramic views of the Mediterranean Sea and surrounding mountains.

Property Overview

Completely reformed to a very high standard, this beautifully designed villa incorporates a modern solar and water ecosystem, significantly reducing running costs – estimated at up to 90% lower than comparable properties.

Positioned to capture both spectacular sunrises and glowing sunsets, the property enjoys uninterrupted sea and mountain views from multiple vantage points throughout the home.

Distributed over two levels, the villa offers flexibility, privacy, and ideal guest accommodation.

Main Living Level

The principal floor features:

Three spacious bedrooms

Three modern bathrooms

Bright open-plan lounge, kitchen, and dining area

Feature fireplace in the living room

Large sliding doors open seamlessly onto expansive terraces and patios, creating a perfect indoor–outdoor lifestyle flow. The outdoor areas lead directly to the large swimming pool, surrounded by beautifully designed lounging and dining spaces.

The master suite includes a private en-suite bathroom thoughtfully positioned to maximise views while maintaining complete privacy.

Self-Contained Guest Apartment

Located on the lower level with both internal access and a completely independent external entrance, the guest apartment offers:

One bedroom

One bathroom

Fully equipped kitchen and dining area

Dressing room and dedicated office space

Direct access to a spacious private patio with fabulous open views

This versatile space is ideal for visiting family, long-term guests, or flexible living arrangements.

Outdoor Living & Lifestyle

The elevated position ensures peace, privacy, and uninterrupted panoramic scenery.

Multiple terraces and patios provide sunny and shaded areas throughout the day, while the large swimming pool enjoys sunlight from morning until evening.

This is a home designed for entertaining, relaxation, and enjoying the best of the Costa del Sol lifestyle.

Energy Efficiency & Advanced Utilities

A standout feature of this property is its cutting-edge solar and water management systems, combined with a new hot water installation.

Unlike many eco-homes where systems are bulky and garage-based, all equipment here is:

Compact and modern

Discreetly housed in the utility room

Designed for continuous operation

Owners benefit from exceptional efficiency and are largely unaffected by water or electricity interruptions – offering reliability, sustainability, and peace of mind.

Full technical specifications available upon request.
