Discover this magnificent property in Málaga, ideal for those seeking comfort, spaciousness and excellent connections to the rest of the city. It is a ground-floor apartment with the height of a first floor. It is important to note that the windows visible at street level belong to the garage and not to the apartment itself. The property is elevated, ensuring a high level of privacy, and also offers easy access suitable for people with reduced mobility.

The property features a very practical and well-balanced layout. It offers three bedrooms, one full bathroom and a guest toilet. The kitchen is separate, fully equipped and benefits from natural ventilation; it can also be opened to the living room to create a more modern, open-plan space, enhancing light and a sense of openness. The living room is spacious and bright, with large windows that create a warm and welcoming atmosphere.

An additional highlight of the property is its private patio, ideal for enjoying outdoor living in complete privacy.

The property also includes a large garage space and a storage room, providing extra convenience and storage capacity.
