Fully Renovated Corner Apartment with Sea Views in the Heart of Arroyo de la Miel

Welcome to a beautifully renovated 2-bedroom, 2-bathroom corner apartment located in the very heart of Arroyo de la Miel, Benalmádena – where everything is within walking distance and the Mediterranean lifestyle begins at your doorstep.

Situated on the 6th floor of an 8-storey building with lift, the apartment enjoys panoramic urban and Mediterranean sea views in one of the most sought-after central locations in Benalmádena.

With 74 sqm built area (including the terrace), the property was completely renovated just four years ago. During the renovation, the floorplan was thoughtfully modified, and the apartment was modernised throughout with new flooring, updated installations, new bathrooms and appliances. The result is a cohesive, contemporary home that feels bright and refreshed. The property is sold fully furnished and ready to move into.

From selected angles in the living room, the Mediterranean is visible. The bright living area opens onto a southeast-facing balcony of approximately 5 sqm, ideal for a small table and two chairs. From here, you enjoy morning sun and open panoramic sea and urban views.

The master bedroom features an en-suite bathroom with shower – and sea views from the bathroom itself, a rare and special detail that truly sets this home apart.

In addition, the apartment offers a convenient internal storage room/closet, providing practical space rarely found in properties of this size. Air conditioning is installed in the living room and one bedroom, and a filtered water system serves the entire apartment.

The gated community includes a swimming pool, communal parking and a new elevator installed last year. The building is accessible and water is included in the community fee.
