Studio Apartment with Great Potential in the Heart of Sabinillas, Just Minutes from the Beach

Magnificent property located in the very center of Sabinillas, in a privileged location that allows you to enjoy all essential services within walking distance: supermarkets, restaurants, shops, and, most importantly, the promenade and the beach just a few minutes away on foot. An excellent opportunity both as an investment and for those seeking a practical home on the Costa del Sol.

The property is distributed in a bright open-plan living space with access to a pleasant terrace offering open views, providing a great sense of space and natural light. In addition, there is the possibility of redesigning the layout to create a separate bedroom, significantly increasing both its functionality and value.

The apartment features a fully equipped kitchen, a separate laundry area, and a spacious bathroom—features that are uncommon in many studio properties and which add extra comfort for everyday living.

Located on the third floor of an exterior-facing building with a lift, the property is part of a residential complex that offers a swimming pool and landscaped gardens. The building also provides adapted access for people with reduced mobility.

A property with a strategic location, excellent natural light, and strong renovation potential, making it perfect for holiday rentals, a second home, or a solid investment in one of the most sought-after areas of the Costa del Sol.
