Costa de la Luz, Algeciras

This spectacular fully renovated villa is located in the peaceful El Faro de Punta Carnero residential area, surrounded by the Los Alcornocales Natural Park and just a few meters from the sea. It's the perfect place to enjoy nature without giving up the convenience of being close to the city. The property is laid out over two floors and stands out for its abundant natural light, thanks to large windows that fill every space with sunshine. On the main floor, you'll find the living areas: an entrance hall leading to a spacious living-dining room with access to a terrace offering stunning views, a fully equipped kitchen with an integrated dining area, a guest toilet, and a dressing room with access to a rear patio. The upper floor houses two bedrooms and an en-suite bathroom with a whirlpool bathtub and shower. There is also an open space currently used as an office, which could easily be converted into a third bedroom. Outside, the villa features an infinity pool with an integrated jacuzzi, surrounded by a large relaxation area, and a gym with a full bathroom and shower. The enclosed garage with an automatic door has space for two vehicles. Its location allows you to enjoy nature and outdoor activities such as hiking and cycling, as well as water sports like paddleboarding or kayaking, with easy access to both the Costa del Sol and the Costa de la Luz—all just a few minutes from Algeciras.
