## Costa del Sol, The Golden Mile

### FORMER RESIDENCE OF PRINCESS SORAYA

Once the former home of an empress and built for lavish entertainment - the ambience of elegance and taste still lingers. Five bedrooms and five en-suite bathrooms set in magnificent grounds conveying a feeling of tranquility due to its fountains, patios, statues, pool and three cottages. A majestic residence in its own world and one of the last remaining large-size properties in the renowned Marbella's Golden Mile.

Exceptional villa, swimming pool, beautiful fruit gardens, orchard, one guard cottage, 2nd cottage could be transformed into a charming guest accommodation and a 3rd cottage.

Perfect investment opportunity due to the scarcity of large size properties on the hillsides of the Golden Mile
