Extraordinary finca of 370,000 m² in the area of San Martín del Tesorillo. 15 minutes to Sotogrande. Private road access. Located in a secluded valley with excellent views and near an established polo field. Excellent price for the area of less than 8 euros per square metre. ASK FOR VIDEO!

WATER:

The finca has 3 or 4 legal and working wells that are currently used to irrigate the trees they have planted there.

Access to the farm from the road by a path over the channel of the canalized stream. It is bordered to the west by a stream, to the north and west by several registered farms and to the south by an irrigation canal with water from the Guadiaro river.

ELECTRICITY:

There is mains electricity supply.

VEGETATION:

According to the cadastral description, the farm has 2,420 m² of irrigated land, 33,382 m² of dry land, 109,442 of pastures and the rest of scrub and unproductive. Medium vegetation - dense scrub, eucalyptus, wild olive trees and without significant geographical features.

PENDING:

The farm has an average slope of 14% North-South from the highest part in the north to the lowest part in the south.

BUILDINGS:

Inside the farm there is a house-farmhouse in a state of abandonment with a well, a construction in a state of semi-collapse, which for safety reasons is not accessed, although its approximate location is represented on plans and a warehouse.

As it currently stands one can only build structures that are related to agricultural and livestock, such as barns, stables, storage units etc.... According to the Seller's architect a boutique / rural hotel is a possibility, however one would have to proceed with a "proyecto de actuación" and present this to the Town Hall and Junta de Andalucía. There is no 100% guarantee that it would get approval, although, there is a possibility.

There is the possibility to meet with the Seller's architect as he has connections with the Town Hall.
