Costa del Sol, Mijas

Characterised by the visual strength of the avant-garde style and its spectacular sea views, Villa Sena stands as the villa that makes the difference. Luxurious, magnificent, minimalist. The main premise of this project has consisted of maximising the brightness in all rooms by filling them with natural light and maximize the luminosity of the place.

The unusual shape makes this villa an exclusive and unique design, both in terms of architecture and outer views. A garden of wavy, smooth, and modern lines.
