Costa del Sol, Marbella

Four villas designed with the highest standards of quality and luxury, incorporating energy systems and characteristics of the most avant-garde architecture.

Located in the prestigious Las Lomas de Marbella Club urbanization on the Golden Mile, Marbella; a very quiet enclave with immediate access from the AP-7 motorway to all points of interest in the city and on the Costa del Sol.

A privileged location 10 minutes from the centre of Marbella, 40 km from Malaga International Airport, 50 km from the AVE station and 85 km from Gibraltar Airport.

Beauty, elegance and comfort characterize these south-facing villas, both classic and modern in appearance, with superior qualities and exceptional materials.

The villas have an elevated position that, together with its orientation, offers a beautiful view of both the sea and La Concha mountain.

This fenced urbanization Las Lomas del Marbella Club is considered elite and is one of the best addresses in southern Spain.

It is one of the most popular luxury residential areas in Marbella, maintaining its elegant and original appearance, with spacious and perfect green areas, 24 hour security, quality of life and architecture.

Its location north side of the Golden Mile, in front of the Puente Romano and close to the Royal Mosque with its impressive Andalusian Arabic architecture, makes it a privileged area.

This urbanization welcomes all kinds of local and international celebrities, Spanish nobles and European elites, being a very exclusive urbanization with the most expensive villas and mansions in the area.

On the other hand, the urbanization is close to a mythical 5* hotel, Michelin star restaurants, numerous golf courses and international schools, both Marbella and Puerto Banús with a wide variety of fashion boutiques, restaurants and nightlife.

These four villas are designed with the highest standards of quality and luxury, incorporating energy systems and characteristics of the most avant-garde architecture.

Beauty, elegance and comfort characterize these south facing villas, both classic and modern in appearance, with superior qualities and exceptional materials.

The villas have an elevated position that, together with its orientation, offer a beautiful view of both the sea and La Concha mountain.

Entering the villas, there is a very spacious outdoor parking lot decorated with a water fountain that gives an elegant touch and character to the entrance.

The villas have a garden that surrounds them, with green areas and decorated with a variety of floral plants and palm trees that give color and movement.

The heated salt water pool has both a covered and uncovered terrace and a stylish hammock area that invites you to enjoy the good weather of Marbella with family and friends and also the privacy of the plot.

The villas are well proportioned in terms of layout, spread over 3 levels and a solarium to create an exquisitely tasteful six bedroom residence with multiple entertaining areas.

Access to the villa is impressive thanks to its double height ceiling and large contemporary pillars.

Entering the villa, the main floor has a large space divided into several areas, one of them with a large fireplace, dining area and living area.

The fully equipped kitchen with state-of-the-art appliances has a custom-made island.

This entire floor has access to the terraces, garden and pool, with areas to relax and have fun.

The upper floor consists of three bedrooms with en-suite bathrooms and dressing rooms.

The master bedroom with access to the large terrace has a spectacular view of the pool and the sea.

The attractive basement has parking for 3 cars, a laundry area and a staff apartment with a kitchen and direct elevator access to the kitchen on the main floor.

In addition, on this floor there are three more bedrooms with natural light, perfect for guests.

In addition to the entertaining areas in the garden, on the top floor of the house there is a solarium with a space for an outdoor gym with glass curtains and fabulous covered and uncovered lounge areas.

This floor has privileged views of the sea thanks to its height.
