### Key Features:

**Expansive 25,000 sqm Plot:** A large plot of land within Coín's boundaries, offering an exceptional opportunity for future development.

**Sustainable Energy:** While the property is connected to all urban utilities such as water and electricity, the 5 installed solar panels make the electric bill virtually zero each month, providing a cost-effective and environmentally friendly energy solution.

**Development Potential:** Investors and developers will be drawn to the potential to build additional properties on the land. Though planning permission has not yet been obtained, its location within the town's boundaries makes approval highly likely as Coín seeks to manage urban sprawl.
